

Tasks

1) Read the text carefully and give a 5-sentence-summary

The Text is about the Debt of Greek, but they dont find either the reason nor the solution. Althou text tells us the average Greek is working a full 40 % longer than German once. Only South Korea has mor money to pay. One reason can be the inefficient manufacturing compared to Germany.

2) Interpret the cartoon on page1.

3) Mediation: explain the following phrases in German:

- I.62 like with like.
- I.6 Greece is facing more spending cuts
- I.16 industriousness

4) Explain: Why do Greeks work longer hours than Germans?

5) Multiple Matching

Hard work is not the reason behind Grece's failure at being economically strong	
The autor warns comparing apples with pears	
The autor questions Greece's attitude on spending	
However, not all information should be taken without any doubt	
The statistics show that not everything is a crista-lclear as it seems	
It is proven that Greeks are not the lazieest people in Europe.
