# Europe thinks about the meaning of life

### SUNDAY, AUGUST 15 2004

IT'S AUGUST IN EUROPE, 40 work hours - competition professionals! They'll spend

which means that if you're not a lifeguard, an Olympic athlete Eastern Europe and Asia, an or a Florentine gelato vendor, aging population with fewer 5 you're probably on vacation. people in the labor force, the crushing financial burden of This though, the 45 year, Germans and French may not find much peace as they benefits - this doesn't mean kick back in their Tuscan that they will accept the social villas and Majorcan beach costs, at least not without a 10 beloved 50 Their houses. fight. European life-style, with its Europeans, a For proper 35-hour workweek, frequent balance between work and six-week holidays and play is more than a fringe 15 vacations, is under threat as benefit of prosperity. It is never before. The French 55

from low-wage countries in 80 a Sunday exploring a church with a fresco they've heard about.' With more free time, Europeans can also better nurture their families and Europe's generous welfare 85 contribute to their communities. Americans, caught in the frantic pursuit of success and the McMansions and the SUVs that come with it, don't have 90 time for such a culturally and socially rich life. It is tempting to dismiss the European model in favor of the central to a way of life that American one, by pointing most people here believe is 95 to the faster economic growth superior to the American one: and superior productivity of less harried, less materialistic, the United States since the less dehumanizing. 'Americans mid-1990s. But the fast pace of life takes a human toll that and mobility, which requires 100 does not show up in economic amassing wealth,' says Jeremy statistics. For years, stressed-Rifkin, an American writer. out Americans have fled to 'Europeans define freedom in Europe for its gentler ways. community - in belonging, not The question, of course, is belongings. While Americans 105 whether the European society consider idleness to be almost sustainable. is With a a sin, Europeans place greater rapidly aging population, the emphasis on leisure and even competition of a global

government has weighed up repealing the country's mandatory 35-hour week, 20 which would allow employers demand longer hours. 60 define freedom as autonomy to Recently, German industrial giants DaimlerChrysler and Siemens muscled their unions into signing contracts that 25 lengthen work hours without 65 increasing pay. Is Europe being forced to adopt the Protestant work ethic of the 30 United States?

idleness.' This allows them to 'It's not that we're becoming 70 economy and new military more Anglo-Saxon,' says the develop themselves and to 110 burdens, young Europeans editor of the Frankfurter cultivate their minds more know they will have to work Allgemeine Zeitung. 'It's that than Americans do. An more than their parents did. 35 we are having an encounter American living in Tuscany Many older Europeans, says, 'Italians who are not with reality.' But while 75 however, will remember the professionals often have 115 last years of the 20th century Europeans have grown to recognize the economic forces more knowledge of the arts as a kind of paradise. that are driving the longer who are Americans than
